

THE GREAT OUTDOORS

World Class Golf

Greens like velvet, fairways shaded by Ponderosa pines and Douglas firs and tees with million-dollar views of mountains and lakes are what's in store when you tee off at any of North Idaho's challenging and **scenic golf courses**. **The Highlands** in Post Falls is atop a hill overlooking the city and this popular public course recently added a new fairway and green. **Avondale** is an exceptionally scenic course just steps away from Hayden Lake's

Gold Coast. **Twin Lakes Village Golf Course** is adjacent to the intimate Twin Lakes just north of Rathdrum where, on a clear day the elevated tee box at the third hole offers a view nearly to Montana. South of Coeur d'Alene on US 95 is a beautiful addition to North Idaho's expanding golf culture. Golf Magazine voted **Circling Raven** as one of the Top Ten New Courses. Adjacent to the Coeur d'Alene Casino Resort, and owned by the

Coeur d'Alene Tribe, Circling Raven is becoming a premier mountain golf experience.

The crown jewel of Northwest golf is nestled in the southeast corner of Coeur d'Alene on Lake Coeur d'Alene's north shore. The **Coeur d'Alene Resort Golf Course** with the famous floating green, has played host to PGA touring pros and was selected by Golf Digest as America's most beautiful resort golf course.
